

Elevator and Escalator Consulting Services

The University of California

UC Procurement is the strategic sourcing business partner supporting academic and research missions across University of California campuses, labs and medical centers. UC Procurement helps coordinate activities that allow a complex and unique system to operate efficiently as one university, furthering its public interest, academic and research missions. They help oversee and manage programs serving the entire university system so campuses can capture the savings and efficiencies of centralized operations.

UC Procurement collaborated with 10 UC campuses, the California State University (23 state universities), and The Foundation for Community Colleges (114 California community colleges) and The Association of Independent California Colleges and Universities (representing 79 private, non-profit colleges and universities) in awarding this agreement.

Who is VDA?

VDA is an all-inclusive Elevator and Escalator Consulting Firm providing services for the comprehensive maintenance, design, and engineering for elevators, escalators, moving walks, dumbwaiters, and lift systems in new and existing market segments. Throughout our past and in our present, these buildings include: Higher Education Facilities, State/Federal/ Local Government, Commercial offices, a variety of mixed-use configurations, Residential Towers and Condominiums, Stadiums, Museums, Transportation Facilities, Educational, Hotel, Religious, Retail, and Industrial Buildings.

We have performed New Construction, Modernization, and Maintenance Evaluations for all types of Elevators, Escalators, and other Vertical Transportation Systems, on 37,000+ projects around the world.

Our extensive Industry Knowledge, over the last 40+ years, makes VDA the best choice to meet your Vertical Transportation Consulting needs.
