

Our connections in care make a healthy difference for your employees — and bottom line

It's all about what matters most to you. We're laser-focused on working closely with you to understand your goals and provide proactive guidance that helps you make informed decisions. We're here to help you provide affordable benefits without compromising quality, so your employees stay engaged with care that helps improve their outcomes. And importantly, we're also committed to helping you lower your costs.

Maximizing savings 5.3% overall drug trend	Happier, healthier employees 96% member satisfaction	Consultative support 98% client satisfaction
6.5% specialty drug trend	32% Member cost share reduction over last 5 years	98% client retention

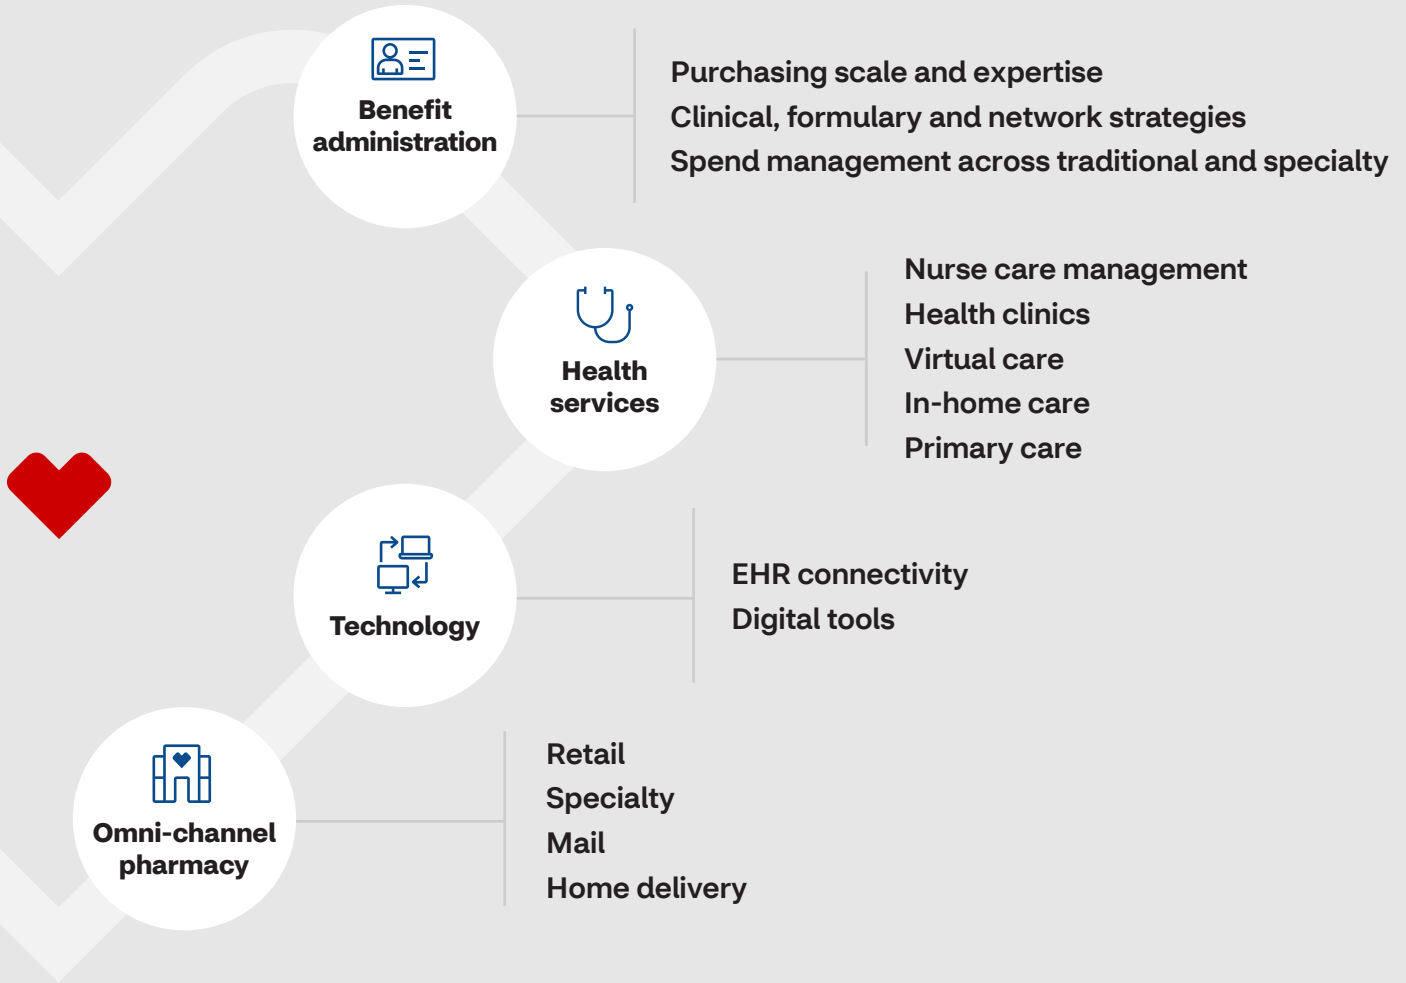

What does it mean to be connected in care?

Our enterprise connectivity with providers through electronic health records (EHR) and our ability to connect your employees through digital tools and our local CVS Pharmacy®, MinuteClinic® and CVS® HealthHUB™ locations enable us to maximize the impact of our programs.

Connections provide more ways to meaningfully engage with employees and providers, and more opportunities to help you manage drug spend and optimize your employees' experience.	>95% of specialty patients are digitally engaged	>80% of specialty patient records visible via provider EHR
