Subject: Modification of Contract R221004 – Addition of New Products and Price Reductions

Dear ESC4 Contracts Department,

I am writing to formally request the modification of Contract R221004 to incorporate several new products and decrease the prices of certain products, accordingly, as outlined in the enclosed price list.

Vari Sales Corporation has recently introduced a range of innovative products designed to enhance educational experiences and support the objectives of member agencies. To ensure that ESC4 continues to have access to cutting-edge resources and solutions, we propose the attached price and product list to be incorporated into the Contract R221004:

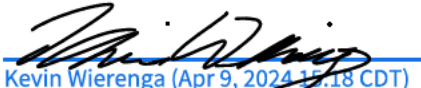

Additionally, we have conducted a thorough review of pricing structures in the market and have determined that adjustments are necessary to maintain competitiveness and provide value to ESC4. The enclosed price list reflects our proposed adjustments, which have been carefully calculated to align with industry standards and account for changes in costs and market dynamics.

We believe that the inclusion of these new products and the adjustment of prices will enhance the value proposition of Contract R221004 for ESC4 and its member institutions. Our goal is to ensure that educators have access to the latest tools and resources they need to deliver high-quality education to students effectively.

We kindly request your prompt attention to this matter and look forward to receiving confirmation of the contract modification. If you require any further information or clarification, please do not hesitate to contact Robert Cairy, Contracts Manager directly at 469-391-0987 or Robert.Cairy@vari.com

Thank you for your continued partnership and support.

Sincerely,

Kevin Wierenga (Apr 9, 2024 11:18 CDT)
