**For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:**

i. **Contract holder reference.** If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records.** Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments.** Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information.** In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.

Subject: Modification of Contract R221004 -Addition of New Products and Price Increase

Dear ESC4 Contracts Department,

I am writing to formally request the modification of Contract R221004 to incorporate several new products and increase the prices of certain products, accordingly, as outlined in the enclosed price list. Vari Sales Corporation has recently introduced a range of innovative products designed to enhance educational experience and support the objectives of member agencies. To ensure that ESC4 continues to have access to cutting-edge resources and solutions, we propose the attached price and product list to be incorporated into the Contract R221004: At Vari®, we take pride in offering fair, consistent, and transparent pricing to all our fans.

Over the past year, we have done our best to absorb rising costs without passing them on to you. We have worked hard to mitigate expenses wherever possible. However, the overall cost of doing business has reached a point where we can no longer fully absorb these increases. Due to higher tariffs, increased warehousing fees, and rising labor costs, we will be implementing a modest price adjustment on select products.

On January 15, 2026, this price increase with a weighted average of 5% will take effect. All SKU-level details are attached for your consideration. Any quote provided with previous pricing will be honored for 30 days. The expiration date can be found on your quote.

As always, we thank you for your business and partnership, and are dedicated to bringing you the best products, innovation, service, and value. This increase will support our continued delivery on this commitment. Should you have any questions, please contact your Vari sales representative or the Vari Contracts Team ([contracts@vari.com](mailto:contracts@vari.com)).

Sincerely,

*Candra O'Rourke*
