Hello,

At Vari®, we take pride in offering fair, consistent, and transparent pricing to all our fans. We are all experiencing record inflation and overall increased costs. Here at Vari, we have done our best to absorb those costs and not pass them along to you, our client. We have tried to mitigate costs by aggressively negotiating the cost of freight, warehousing, and raw materials and by improving packaging efficiencies to maximize our container load.

However, inflation and the overall cost of doing business has spiked in a way that we cannot continue to fully absorb. Due to the sharp increase in cost–specifically rising logistics costs at domestic ports, increased warehousing costs, and increased labor costs–we are implementing a moderate price increase on some of our products.

On March 30, 2023, this price increase with a weighted average of 4.85% will take effect. All SKU-level details are attached for your consideration. Any quote provided with previous pricing will be honored for 30 days. The expiration date can be found on your quote.

Vari production and product transportation have been directly impacted by the cost of multiple factors over the last several months, including the cost of domestic freight, which has risen by 7% and warehouse storage costs, which have risen by almost 7%. In addition, wages have increased by 5%, benefit costs have increased by 4.9%, and labor costs have increased by as much as 6%. Many other furniture manufacturers have increased prices two to three times per year.

In positive news, we are happy to share that effective March 30, 2023, the 5% temporary surcharge that was previously added to project quotes will be removed. All new projects that are quoted on March 30, 2023, and after will no longer have a temporary surcharge applied.

As always, we thank you for your business and partnership, and are dedicated to bringing you the best products, innovation, service, and value. This increase will support our continued delivery on this commitment. Should you have any questions, please contact your Vari sales representative or the Vari Contracts Team (contracts@vari.com).

Sincerely,

Kevin Wierenga Senior Vice President, Sales
