As a leading workspace innovation company, Vari is committed to continuously developing and introducing new products to the market. Over the past several months, we have experienced a number of cost impacts. While we have made every effort to absorb these increases, we have reached a point where a pricing adjustment is necessary. Effective June 1, 2025, we will implement a modest price adjustment on select products, with a weighted average increase of 3.4%. In conjunction with this update, the threshold for complimentary installation will increase to \$100,000 for all customers. A detailed SKU-level pricing sheet is attached for your reference. If you have already received a quote from us, we will honor that pricing for 30 days from the date it was issued.

For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:

i. **Contract holder reference.** If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records.** Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments.** Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information.** In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.

Subject: Modification of Contract R221004 -Addition of New Products and Price Increase

Dear ESC4 Contracts Department,

I am writing to formally request a modification to Contract R221004 to incorporate several new products and adjust the pricing of certain existing items, as outlined in the enclosed price list.

Vari Sales Corporation has recently introduced a range of innovative products designed to enhance educational environments and support the goals of member agencies. To ensure that ESC4 continues to have access to cutting-edge solutions, we respectfully propose the incorporation of the attached product and pricing list into Contract R221004.

At Vari, we take pride in offering fair, consistent, and transparent pricing to all our customers. Effective June 1, 2025, we will implement a modest price adjustment on select products, with a weighted average increase of 3.4%. A detailed SKU-level pricing sheet is included for your review. In conjunction with this update, the threshold for complimentary installation will increase to \$100,000 for all customers. All orders that do not qualify for complimentary installation will be charged 15% of the net order total.

As always, we sincerely appreciate your continued partnership. These updates allow us to maintain the level of quality, innovation, and service you expect from Vari while continuing to deliver meaningful value to the agencies you serve.

If you have any questions, please don't hesitate to reach out to your Vari sales representative or our Contracts Team (robert.cairy@vari.com).

Sincerely,

Candra O'Rourke
