

OMNIA Partners

Public Sector Government Purchasing Alliance.

The contract between Via and OMNIA Partners enables Cities, Counties, Transit agencies and school districts to utilize Via's suite of services and forgo the cost associated with the competitive bid process. Going out to bid for a transportation solution can be a lengthy and complicated process, often leading to compromises on price rather than quality. In some cases, the pressure of a competitive bidding process might even result in abandoning the project altogether. For transportation agencies looking to implement innovative, efficient solutions, this can mean missed opportunities for growth and improvement.
