OMNIA[®]
P A R T N E R S

Virco is the industry-leading manufacturer of furniture and equipment for K-12 schools. From healthy movement seating and collaborative desk collections to technology-ready tables and teacher workstations, Virco has solutions for today's classrooms.

Virco is proud of its dynamic affiliation with OMNIA Partners, Public Sector to provide educational furniture and equipment to K-12, higher education, state, local and nonprofit organizations. The partnership ensures these organizations are guaranteed to always receive:

Virco's Lowest Price

You can purchase furniture and equipment at great prices without the hassles of bidding. Virco's contract has been competitively solicited and publicly awarded through Prince William County Public Schools, which will save you time, resources and money.

Quick Ship and Classroom Basics Programs*

Virco's Quick Ship Program offers a selection of our most popular items that ship within 10 business days. Campus Basics includes over 2,000 items that ship within 4-6 weeks. When time is not a factor, our full product line is usually ready to ship within 8 weeks.

Iconic American Quality and Innovation

Since 1950, Virco has been proud to design, manufacture and assemble our products at state-of-the-art facilities in Torrance, California and Conway, Arkansas.

Direct Sales and Support Services

Virco maintains a nationwide direct sales team, a customer service department and an inside sales team. We offer both tailgate delivery and full installation services.

Design, Space Planning and Turn-Key Project Management

Virco PlanSCAPE® is a free, turn-key project management service to help educational administrators successfully manage large-scale furniture and equipment purchases. From planning and design to procurement and installation, Virco PlanSCAPE does it all for you at any budget.

Access to Vendor Partners

Thanks to Virco's partnership with numerous other vendors, Virco provides the best combinations of quality products and services to cover all the functional areas of a school.

No Cost to Participate

It's quick, easy and completely free to register with OMNIA Partners. There are no fees, commitments or order minimums.
