RE: Addition of Walmart Business Marketplace to Contract 15-02

Dear Region 14 ESC,

Walmart Business is pleased to submit a request to expand the scope of Walmart's offerings to include Walmart Marketplace for the Retail and Wholesale Merchandise Solutions and Services Contract 15-02. As stated in our 2023 RFP response, Walmart Business is dedicated to listening to education, government and nonprofit customers to help them address challenges that come with running their organization. The feedback from these customers has led Walmart Business to engage our Marketplace sellers and confirm their desire and commitment to provide products for this set of customers.

Walmart Marketplace is a community of sellers who offer products for sale to customers shopping on Business.Walmart.com. Sellers have control over their business, including inventory, retail pricing, fulfillment, and customer care. Our sellers and their millions of amazing products help make Walmart Marketplace one of the fastest growing eCommerce platforms in the US.

Walmart Business proposes the addition of Marketplace be effective 10/15/2024. If you have questions about this addition, please contact Candice.Liles@walmart.com

Sincerely,

A handwritten signature in black ink that reads "Ashley Hubka".
