We have reviewed the responses for Retail and Wholesale Merchandise Solutions and Services and recommend that the following companies be awarded:

BJ's Wholesale Club, Inc.

Walmart Business

The recommended vendors submitted offerings were determined to be most beneficial to members of National Cooperative Purchasing Alliance (NCPA), based upon the bid tabulation. All the recommended respondents were determined to be competitively priced and capable of providing good quality products and services as specified. We will monitor their performance and determine whether they are eligible for renewal with each new term.

This multiple award is recommended as most beneficial to NCPA's members. In order to serve the entire nation, a multiple award is recommended to provide any governmental agency with complete coverage of commodities, services and any other offering within the scope of proposal.

Sincerely,

Sarah Vavra
