

# Mastering the Art of Employee Mobility

At Weichert Workforce Mobility, we offer a bold combination of the industry's best service experience and future-proof technology, we make the complicated task of relocation feel seamless and achievable.

In a world more in flux than ever, rife with economic uncertainty, fast-evolving employee needs and constantly shifting business priorities, we help companies navigate change, providing the insight, guidance, tools and technology they need to **make work happen**.

## Our Advantage

For over 50 years, we have helped companies of all sizes relocate critical talent and maximize the return on their investment worldwide. Whether relocating fewer than 40 or more than one thousand employees, we can help you in three key ways:

- **We make it faster** - as a "right sized," independently-owned company, we can adapt to your unique needs without red tape or silos.
- **We make it easier** - one convenient touch-point providing a full range of relocation solutions for global and domestic programs, including tax services, and accommodating every household goods moving and storage need, including freight forwarding through our Weichert Move Network and Movers International solutions.
- **We make it more cost-effective** - our Advisory Services team helps build and maintain programs/policies that maximize cost savings and employee satisfaction- which, in turn, builds greater ROI.

## Our Solutions

### Advisory Services

We can manage every facet of the relocation process for you, from policy development to group move management, or simply provide whatever ancillary services you need.

### Pre-Departure Services

No matter who you are moving, no matter where or for how long, our goal is to help you leverage your mobile talent to its full potential.

### Relocation Management

You can leverage our decades of insight and deep bench of expertise to develop a more competitive and cost-effective mobility policy, map a plan to achieving your program's desired "future state," or execute a seamless group move.

### Tax, Expense Management and Reporting

We maintain an internal tax service team, staffed with Big Four veterans, who provide expert domestic and global tax services at a significantly lower cost.

### Compliance Solutions to Support Business Travelers

Our award-winning compliance solution, **SMARTRIP**, helps you mobilize your talent while minimizing tax, immigration and duty of care risks.

### Future-Focused Technology Solutions

Weichert Go – award-winning Salesforce-built technology revolutionizing every aspect of relocation, empowering mobile employees and their managers with tools to simplify and accelerate the process.

## Through our relationship with OMNIA Partners, members receive:

- Access to leveraged pricing
