OMNIA Partners is proud to partner with Wesco Anixter to provide State & Local Governments, K-12 Districts, Higher Education Institutions and Nonprofit Organizations a comprehensive portfolio of MRO solutions. Participating agencies can leverage a competitively solicited, publicly awarded contract to save valuable time, resources and money when purchasing products and services for their facilities. A variety of brands for electrical, lighting, voice and data communications, MRO supplies and other related services are available on a cooperative contract through OMNIA Partners.
