Subject: Request to update contract

WESCO Distribution, Inc. requests to add the Leviton EV Charging Station product line to our existing contract R192008.

As WESCO currently has Leviton as part of our contract, WESCO would like to update our contract to add the Leviton line of EV Charging Stations to our MRO Supplies Contract.

MRO Supplies offering –  
Electrical Supplies & Equipment

Pricing –

WESCO is requesting to add installed Electrical Vehicle Charging Stations from Leviton to our contract, on a special order basis. Each project will be priced on a case by case basis, due to the wide range of variables that need to be considered for the installation, and potential software management which may be included. The price per project shall be agreed upon between WESCO through WESCO Energy Solutions, and the participating agency, school or special district.

Thank you for this opportunity and WESCO is looking forward to hearing from you.
