**1. Question Submitted in Writing**

**Question:** Page 7, Section 5.7 of the Overview portion of the documents states that “Proposers shall submit a recent history of financial solvency and provide the following: A, B, and C. 2018 financial statements are available, would this be suitable. 2019 is currently being prepared, reviewed and audited and won’t be done until after March 15 due to the size of our company. Once they are complete would it be possible to forward 2019 at that time?”

**Answer:** The most recently completed financial statements are acceptable for bid submission.
