

Workrite

ergonomics®

Innovation that has changed the way we work and live.

Since 1991, Workrite Ergonomics has been an internationally recognized leader in the design, manufacture, and distribution of ergonomic and space optimization products for the workplace.

An industry pioneer, inventor, and innovator, Workrite has been first-to-market with a wide range of products, setting the standard for ergonomic office products for over 30 years.

Robust design and customer-experience excellence has afforded Workrite the widest install base and the most comprehensive product quality statement in the industry, while our experience allows us to perfect our service model and shorten delivery lead-times to meet our customers' most exacting standards.

At Workrite, we understand that companies invest in ergonomics programs because they know that a happy, healthy work environment is more productive and more sustainable.
