

OMNIA Partners

Contract #R210407

Maximize Your Services Power

Through OMNIA Partners, World Wide Technology (WWT) offers State and Local and Education agencies an additional vehicle (Contract #R210407) to provide best-of-breed technology solutions and services.

World Wide Technology (WWT) is a global firm that designs, builds, demonstrates, and deploys innovative technology products, integrated architectural solutions, and transformational digital experiences worldwide. Through long-term strategic relationships with many of the world's leading technology OEMs, Participants of OMNIA Partners will have access to innovative products and services and will also benefit from access to millions of products from thousands of other vendors and distributors worldwide. WWT is a nationally certified Minority-owned Business Enterprise (MBE) and the largest African American-owned technology business in the country allowing Participants of OMNIA Partners the ability to achieve minority spending credits. Contract includes a variety of Manufacturers which fall into following categories:

- Computer Systems
- Monitors
- Network Equipment
- Services
- Peripherals
- Software and Licensing
- 70+ Professional Services Labor categories
- Value Added Category to include all other IT OEMs

Term

Initial three-year agreement from June 1, 2021 through May 31, 2024 with the option to renew for two (2) additional one-year periods through May 31, 2026.

Services and Support

Aside from providing direct access to advanced technology, OMNIA Partners enhances WWT's ability to provide all the necessary supporting technical and supply chain services you need based on our extensive experience and established partnerships with multiple vendors.
