[Request for Vendor Contract Update Category add WWT 10.2022.pdf](#)

Hi Deborah,

Per our call today. I can add these things to this request.

This request is specific to niche OEM's (i.e. some software publishers) that are being established in the IT space. They frequently are new to the market and don't have Partner Pricing or Discounting programs established yet. Therefore offering a baseline 0.00-2.00% discount from MSRP gives WWT the ability to add them to our baseline contract, but at the quote/order level we will provide them with a discount once the OEM has an established partner discounting program.

Let me know if this hits the mark for your request.

Thanks,

Carol Harting, CPCM, CFCM
