

Print Goods and Services

The University of California & OMNIA Partners

In 2018, the University of California solicited proposals for a Lead Agency Marketing Partner and signed an agreement with OMNIA Partners, making this strategic sourcing agreement the first of its kind. Through this exciting partnership, UC executes competitive solicitations, awarding best-in-class suppliers with national agreements tailored to meet the needs of participating agencies and schools. Together, UC and OMNIA Partners offer flexible programs, allowing participants nationwide to meet a variety of supply chain needs, while also providing increased options for procurement.

UC and OMNIA Partners continue to execute more contracts, expanding the depth and breadth of the portfolio. As more categories are awarded, your organization will be able to take advantage of nationally-leveraged pricing while meeting all procurement regulations. OMNIA Partners has the experience in public procurement, unmatched by any other cooperative. Our team of seasoned regional managers are here to help assist with any questions you have with utilizing a UC contract.

Who is Xerox?

Xerox offers award winning technology and advanced document management services in partnership with OMNIA Partners, Public Sector. When Technology and document management services are leveraged to their fullest, assets and operations are optimized, document-driven business processes are streamlined, security risks will be mitigated, and savings and productivity will increase.

University of California Award:

Government agencies and educational institutions nationwide can now purchase print goods and services from Xerox through a new agreement awarded by the University of California. This competitively solicited and publicly awarded cooperative contract is made available nationwide through OMNIA Partners, Public Sector.
